ROTHWELL & DESBOROUGH HEALTHCARE GROUP RESEARCH PRIVACY NOTICE

As from 31st July 2020 Rothwell & Desborough Healthcare Group will no longer be participating in any new research projects. The practice will continue to honour its involvement with existing research projects until completed. So this privacy policy refers to these projects only.

We will only agree to participate in any project if there is an agreed clearly defined reason for the research that is likely to benefit healthcare and patients. Such proposals will normally have a consent process, ethics committee approval, and will be in line with the principles of Article 89(1) of GDPR.

Research organisations do not usually approach patients directly but will ask us to make contact with suitable patients to seek their consent. Occasionally research can be authorised under law without the need to obtain consent. This is known as the section 251 arrangement¹. We may also use your medical records to carry out research within the practice.

We share information with medical research organisations with your explicit consent or when the law allows.

You have the right to object to your identifiable information being used or shared for medical research purposes. Please direct any queries to Rothwell & Desborough Healthcare Group if you wish to object.

1) Data Controller contact details	The Practice Rothwell Medical Centre 109 Desborough Road Rothwell Kettering Northamptonshire NN14 6JQ
2) Data Protection Officer contact details	Dr Anand Pattar Desborough Surgery 35 High Street Desborough Kettering Northamptonshire NN14 2NB
3) Purpose of the sharing	Medical research.
4) Lawful basis for processing or sharing	Identifiable data will be shared with researchers either with explicit consent or, where the law allows, without consent. The lawful justifications are; Article 6(1)(a) “the data subject has given consent to the processing of his or her personal data for one or more specific purposes” and
