

COVID-19 INFORMATION

IN ORDER TO PREVENT THE SPREAD OF INFECTION AND TO KEEP STAFF AND PATIENTS SAFE

**ALL MEMBERS OF THE PUBLIC MUST WEAR A FACE COVERING
WHEN ATTENDING THE PRACTICE**

Whilst we ask visitors to wear face coverings for their own protection and others, guidance states that the following groups

DO NOT need to wear a face covering:

- Children under the age of 11
- Patients unable to put on or wear a face covering because of any physical or mental illness or impairment, or disability.
- Patients with breathing difficulties and respiratory problems that may be exacerbated by wearing a face covering.
- Anyone with anatomical difficulties that would make wearing a face covering painful e.g facial injuries.
- Anyone who experiences severe discomfort or distress while wearing a face covering e.g those with severe claustrophobia

Thank you for your cooperation and understanding

Please ask a member of staff to help answer any questions you may have
