

## **PPG Meeting 19.01.2021 11.30-1200**

Attendees – Dr DH, JT, AT

1. RDHG thanked PPG for donation of lateral flow tests.
2. Discussed vaccination program for Covid 19. DH addressed questions from PPG:
  - Advised vaccination schedule dictated by JCVI and NHSE.
  - We are working with local practices (Weavers, Woodsend, and Eskdail) to deliver the vaccine for our patients.
  - We are dependent on vaccine delivery to dictate how quickly we can vaccinate population. We are hoping to start age 74 group next week.
  - Our large local venue is at Birmingham – our patients may have an invite from this venue.
  - We are not involved in local pharmacies delivering the vaccine
  - We will make all efforts possible to contact patient by phone to book a vaccination appointment.
  - Second vaccine appointments will be booked separately.

Agreed action PPG will encourage patients to download the NHS app and ensure that their mobile details are correct and that their mobile phones remain switched on.

3. Advised PPG FL should be returning to post in Feb
4. Desborough Surgery is due to have refurbishment starting next week.
